

Visit from Prof. Rodrigo Lozano in January 2017

Period: 22.01.17 – 26.01.17

Prof. Lozano is invited by the research group Green Value Creation (GVC) (<https://www.ntnu.edu/iot/gvc>) and the SISVI project (<https://sisvi.no/>) to participate in the ongoing research activities at NTNU. The overall topic is the concept of 'Sustainable Development' in a business context. More information on this can be found through the strategic research area NTNU Sustainability (<https://www.ntnu.edu/sustainability>).

Below is a tentative program of the visit. Specific plans will not be made for Sunday 22.01 and Thursday 26.01 since these are days of arrival and departure.
